

REFUND & DISPUTE POLICY

Trust Funded Plus

Effective Date: 2026

1. General Refund Policy

All purchases of evaluation programs are final once login credentials have been issued. After access has been delivered, no refunds will be granted.

2. Exceptional Consideration

If no trades have been placed and the trader contacts support within fourteen (14) calendar days of purchase, Trust Funded Plus may, at its sole discretion, consider issuing a refund. This is evaluated strictly on a case-by-case basis and is not guaranteed.

3. No Refund After Usage

Any trading activity, login activity, platform usage, or dashboard access constitutes service utilization. Once the service has been used in any capacity, the purchase becomes non-refundable.

4. Chargebacks & Disputes

By completing a purchase, you agree not to initiate chargebacks, payment disputes, or reversals after service delivery. Any unjustified chargeback may result in permanent account termination and recovery proceedings.

5. Payout Discretion & Toxic Trading

If a trader withdraws profits and the Company determines, at its sole discretion, that trading behavior was abusive, toxic, manipulative, or harmful to the platform's integrity, Trust Funded Plus reserves the right to terminate the relationship and issue a refund of evaluation fees instead of payout.

6. Termination of Relationship

In the event of a refund granted under discretionary review, the commercial relationship between the Company and the trader shall be considered permanently terminated, and the trader waives any further claims.

7. Acceptance of Policy

By purchasing any evaluation from trustfundedplus.com, you confirm that you have read and accepted this Refund & Dispute Policy.
